1	Low PHRF	149 and lower	 1
2	High PHRF	150 and higher	 2
3	Cruiser	Cruising fleet requirements	 3

The LLPHRF rating assigned to each fleet may be re-assigned at the skipper's meeting of the first race in each series.

Racing Area

The racing area will be in Flowery Branch Bay, Chattahoochee Bay, or as shown in the attached Lake Lanier map.

The Course

Courses will be designated by the race committee before each race using permanent Corps, Lake Lanier Sailing Club marks, or temporary marks.

Scoring

The time-on-distance method of PHRF handicapping will be used. The Low Point scoring system, RRS rule A2, will apply, with the exception that the suggested wording from RRS rule A5 will replace the second paragraph of RRS rule A2.2 as follows: Boats not so scored that came to the starting area will be scored points for the finishing place one more than the number of all boats that came to the starting area. Boats that did not come to the starting area will be scored points for the finishing place one more than the number of boats entered in the series.

Trophies

Trophies will be awarded for each series, for three boats that completed at least 50 percent of the races.

A Club Championship Trophy will be awarded according to the following rules:

At registration the skipper of each boat shall declare the club under who's burgee they will be sailing in the LARC Fall and Winter series. Each skipper must be a member in good standing of that club. The registered club affiliation cannot be changed throughout the LARC Fall and Winter series.

The scoring method to determine the club championship result in the combined series is as follows:

Boats ranked 1st, 2nd and 3rd in each fleet in each race will accrue 3 points, 2 points and 1 point respectively for their club. If fewer than 3 boats compete in any race, only those boats scored will accrue points towards the club championship.

Race committee points awarded to the participating member for race committee duty are exempted from the Club Championship Trophy scoring.

At the end of the Fall and Winter series, the points awarded to each club for each race will be totaled. The Fall and Winter series championship will be awarded to the club with the highest points total at the end of the LARC series. A trophy will be awarded to the winning club.
